

BROWNIES

Makes 8 brownies – Prep 10 min – Oven 30 min - Easy

100g dark chocolate
50g milk chocolate
125g butter
250g sugar
a pinch of salt
1 packet vanilla sugar (7g)
2 eggs
85g flour
100g white chocolate chips
smoked sea salt

1. Preheat de oven to 180° Celsius.
2. Melt the chocolate and the butter. Put the sugar, salt, vanilla sugar and eggs into a bowl. Beat until it becomes pale, then add the melted chocolate mix, while still beating. Lastly, add the flour and incorporate well. Add chocolate chips and sprinkle with smoked salt.
3. Line the bottom of a brownie tin measuring approximately 18x24 cm with baking paper. Pour the brownie mix into the tin and bake for 35 minutes. The brownie will still be quite wobbly in the centre when you take it out. Let the brownie completely cool down before serving.
