## FESTIVE MARMALADE FIZZ

Makes 6

4 ½ tbsp marmalade  
160ml vodka  
¼ tsp cinnamon  
3 tbsp sugar  
750ml crémant or bubbly

1. Put the marmalade and 4 tbsp vodka into a saucepan and melt over a gentle heat. Once melted, take off the heat and stir in the cinnamon and the remaining vodka. Leave to cool.
2. Prepare the glasses: pour a bit of water onto a small plate, mix the sugar with a pinch of cinnamon on another small plate. Dip each glass rim into the water, then into the cinnamon sugar and set aside until needed.
3. Fill each champagne glass by ¼ with the marmalade vodka and top with crémant or bubbly.
